

Canada Entertainment.Ca

Who we are

We are Canada's own one stop directory for all of its Entertainment and Hospitality industries. We are the newest yellow pages, only better and it's on the information superhighway. As Canada's population grows in size, so to does the demand for entertainment and hospitality. The number of hits has grown from 5,000 to 80,000 hits a day. As the demand grows so to does the need for reliable resources and information so that the smart consumer can plan wisely. According to Statistics Canada in a survey done in 2003, 75% of the population have internet access at home thus making it extremely convenient to access information. We are here to provide that information with a twist.

What we offer

We offer 24 hour a day, 7 day a week accessibility on Ottawa's premier entertainment and hospitality directory. We offer what no form of media can offer. **FLEXIBILITY.** Not only can you include your contact information, you can include full menu listings, pictures, virtual tours, digital videos, gift-certificates, OEC partnership program and above all the ability to update and change anything on the site at any given time.
